

## **What you'll learn in the pages of That The World May Know:**

1. Obscure prophetic types and shadows and where they fit into God's plan.
2. Where we are in the prophetic time table of history.
3. Exactly what took place on Mt. Moriah. (The event was much more than a prophetic event.)
4. How Moses received the blueprint for more than just the Old Covenant and the tabernacle.
5. Where both Israel and the church fit in end-time events.
6. How events in Paul's life were shadows of future events.
7. How Peter gave us the key to not just the kingdom, but to understanding the prophetic time table of the kingdom's consummation.
8. The mysterious significance of the church in God's plan. (Our salvation barely scratches the surface.) The Apostle Paul refers to this as the fellowship of the mystery.
9. The true role of apostles and prophets in Christ's church.
10. Why the church is woefully lacking in power compared to the first century church.
11. How to assess the spiritual soil of your heart and what level of kingdom increase to expect in your life.
12. What is needed to increase your fruitfulness to 100-fold.
13. Why revivals fall short and what is necessary for greater revival in the future.
14. A class of believers as important as the 5-fold ministry. (Instead of chasing church celebrities, we should be looking for these members.)
15. How Old Testament patriarchs shed greater light into the born-again experience.
16. What New Testament writers were really referring to when they warned of false christs.
17. What the "spots and blemishes" are that must be cleansed away before Christ returns to receive His perfect bride.
18. Who the coming Elijah is in the Book of Revelation.
19. How the tribulation fits into the kingdom time table and its divine purpose.
20. What event in Israel's future will trigger the Lord's return.
21. The final quality that will be formed in the church before Christ returns. (All creation is waiting for this.)
